

Machine Name : Horizontal machining center

Brand : KIA

Machine Model : KH40B

Stock No. : 85975

Ex-factory Date : 1997

Main Technical Parameters:

CNC System: FANUC MC

Worktable size : 400*400mm(double Worktable)

Worktable is once a point

Spindle speed: 6000 RPM

magazine capacity: 30

3 axes rigid guideway
