

Machine Name : CNC vertical lathes

Brand : Shenyang Machine

Machine Model : GTC250110

Stock No. :

ba0f6bfbfe2d679a47e4c150d7be89ff

Ex-factory Date :

Main Technical Parameters:

Workbench diameter: 2000mm

Large slewing diameter: 2500mm

Large turning diameter: 2500mm

Height of large workpiece: 2000mm

Weight of large processed workpiece: 10000kg

High torque: 26000 NM

Spindle speed: low 59 high 180r / min

Vertical movement of RAM: 1200mm

Horizontal movement of RAM: - 100 - + 2800

Cross sectional dimension of ram; 240x240mm

Section size of cutter bar: 40x40mm

XZ axis stroke: - 100 - + 2000 * 1100mm

Number of work places of turning tool magazine: 12

Spindle power: 67kw

Table speed: 1-180r / min

Machine weight: 50000kg
