

Machine Name : CNC lathe

Brand : DAINIGHI

Machine Model : F

Stock No. : 86084

Ex-factory Date : To be added

Main Technical Parameters:

Cutting diameter: 500mm

Cutting length: 1250mm

Rotation diameter of bed: 500mm

slide plate rotation diameter: 330mm

spindle through hole diameter: 80mm

Spindle speed: 2000 RPM

spindle rated torque: 191Nm

Main motor power: 15kw

hydraulic Turret positions: 12 positions

CNC CNC System: FANUC OI TD

hydraulic programmable tailstock
