

Machine Name : Horizontal machining center

Brand : HECKERT

Machine Model : CWK1250

Stock No. : 86125

Ex-factory Date : To be added

Main Technical Parameters:

three-axis travel: 1800*1550*1550mm

Tool : HSK100

tools magazine :60

Worktable size: 1000*1250mm(double Worktable)

CNC System: Siemens 840D

Each axis 70 large roller linear guideways

glass scale set
