

Machine Name : Gantry machining center

Brand : Mitsubishi

Machine Model : M-VS37/30B

Stock No. : 63152

Ex-factory Date : 2004

Main Technical Parameters:

Worktable size : 3000x6000mm

three-axis travel : 6200x3700x1500mm

Gantry width : 3700mm

distance from Worktable top to nose of spindle : 1650mm

Spindle speed : 6000rpm

spindle taper : BT50

magazine capacity : 100

CNC System : FANUC 18i-MB

Maximum grinding size : 1mm

machining precision : 0.001mm
