Machine Name : 5 axes machining center

Brand : DMG

Machine Model : DMU80MONOBLOCK

Stock No. : 485819

Ex-factory Date : 2011

Main Technical Parameters:

three-axis travel: 980 *630*630mm

B axis :-120 --+30

C axis: any indexing

WorkWorktable size :1250*700mm

Clamping weight (fixed WorkWorktable) :650Kg

spindle power: 14.9kW

X/Y/Z fast feed :50M/Min

Maximum feeding force :10/15/15KN

Spindle speed :24000 RPM

Tool Tool Tool holder type :HSK-A63

magazine capacity :32

guideway: linear roller guideway

Linear trajectory measurement CNC System: glass scale photoelectric measurement 0.001mm

Temperature supplement: electronic temperature sensor

Size :3900 *2400 *2900mm

Weight :9600Kg
