

**Machine Name : Cylindrical grinder**

**Brand : Kellenberger**

**Machine Model : UR-175\*600**

**Stock No. : 485815**

**Ex-factory Date : To be added**

**Main Technical Parameters:**

Distance between centers: 600 mm

Center height: 175 mm

travel X\*Z: 320 x 750 mm

Resolution X \* Z: 0.0001mm

grinding wheel retainer headstock automatic rotation direction: -210/+10° grinding wheel degree cell

Maximum workpiece weight (between centers) : 100KG

Left external grinding: grinding wheel Footage (diameter X width X boring) 400 x 63 x 127mm

Right external grinding: grinding wheel size (diameter X width X boring) : 300x 40 x 127mm

Internal grinding \* speed: 6000-28000rpm

Power supply voltage: 400 volts

Machine Footage: 2400 x 1700 x 1800 mm

Machine weight: 3500 kg
