

Machine Name : EDM

Brand : Makino

Machine Model : EDGE3S

Stock No. : 86235

Ex-factory Date : 2010

Main Technical Parameters:

three-axis travel :450*350*350mm

Working slot size :850*650*400mm

Worktable size :700*500mm

Large motor weight :75KG

Large workpiece weight :800KG

Fast feed rate :5000mm/min

Worktable T-slot: 14*4

Total machining liquid :450L

machining current: 40A

machine tool size: 1500*2310*2600mm

machine tool weight: 4875kg
