

Machine Name : Turn-milling machining Center

Brand : NEWAY

Machine Model : NL402T

Stock No. : 485922

Ex-factory Date : 2021

Main Technical Parameters:

Large rotation diameter of the bed: $\Phi 650\text{mm}$

Rotation diameter on saddle: $\Phi 480\text{mm}$

Maximum cutting diameter: $\Phi 400\text{mm}$

Maximum cutting length: 500mm

Maximum diameter through the bar: $\Phi 51\text{mm}$

Main motor power: 11/15kW

spindle maximum speed: 3000rpm

spindle nose model: A2-6

spindle through hole diameter: $\Phi 65\text{mm}$

spindle taper: metric 80

Power Turret

Number of work stations: 12

Spindle speed: 5000rpm

10 inch hydraulic chuck

12 positions servo power Turret
