

Machine Name : Horizontal machining center

Brand : OKK

Machine Model : HM80S

Stock No. : 485769

Ex-factory Date : 2005

Main Technical Parameters:

Worktable size: 800x800mm

Distance between the top surface of worktable and the center of spindle:
80~1180mm

Distance from center of worktable to front end of spindle: 200~1250mm

Maximum load: 2000kg (equal weight)

Worktable indexing: once a point

X/Y/Z axes travel: 1400x1100x1050mm

Spindle speed: 8000 rpm

tools magazine: 40

CNC System: FANUC
