Machine Name : double position horizontal machining center

Brand : YouJi

Machine Model : HMC-500BP

Stock No. : 485836

Ex-factory Date : To be added

Main Technical Parameters:

CNC CNC System: FANUC 18i-MB

three-axis travel: 800*750*800mm

WorkWorktable size: 500*500mm

magazine capacity: 60 pieces

BT50 spindle

spindle with Center flushing

Four axis glass scale, full close loop

Chain type Chip conveyor

With oil chiller
