

Machine Name : 5 axes simultaneous control machining center

Brand : DMG

**Machine Model : DMU 50 eVolution
DECKEL MAHO**

Stock No. : 486154

Ex-factory Date : 2008

Main Technical Parameters:

Product type: 5 axes simultaneous control machining center

three-axis travel: 500*450*400mm

X-axis linear motor drive

Worktable load: 200KG

B axis rotation range: 108 degree

C axis rotation range: 360 degree

spindle: 18000 rpm

SK40 Tool holder

power: 35/25KW, (40/100% DC)

3 axes glass scale

tools magazine: 30

CNC System: Heidenhain iTNC530

Optional:

With chip conveyor

Remote jog Tool holder
