Machine Name : Turn-milling machining Center

Brand : MAZAK

Machine Model : Quick Turn Smart 300L

Stock No. : 486136

Ex-factory Date : 2016

Main Technical Parameters:

CNC CNC System :MAZATROL smart

Maximum rotating diameter :720mm

Maximum turning diameter :420mm

Standard machining diameter :254mm

Maximum Machining length :1282mm

Maximum bar diameter :80

through hole :91mm

spindle motor :26kw

Spindle speed :4000rpm

X axis travel :240mm

Z-axis travel :1314mm

machine tool size: 1910*3770*1900mm

Weight: 660KG

Japan Kitagawa 10 inch chuck

12 positions turret

Programmable servo tailstock

PamtonSchnell
