

Machine Name : CNC lathe

Brand : GOODWAY

Machine Model : GLS-2800

Stock No. : 86322

Ex-factory Date : 2022

Main Technical Parameters:

spindle: 10 inch chuck

Turret positions: 12 positions turret

Spindle speed: 6000rpm

Maximum rotating diameter: 760mm

Maximum turning diameter: 440mm

Maximum machining length: 720mm

spindle through hole: 90mm

Rod diameter: 75mm

X axis travel: 500mm

Z-axis travel: 700mm

CNC CNC System: FANUC TF Plus

Two axes linear guideway

Alpha motor

With faucet type automatic Chip conveyor
