

Machine Name : machining center

Brand : EUMACH

Machine Model : VMC2600

Stock No. : 463125

Ex-factory Date : To be added

Main Technical Parameters:

three-axis travel: 2600×1100×900mm

Work Worktable Size: 2650×1220mm

spindle end nose to work distance from the platform : 1136mm

shaft main speed: 6000rpm

CNC CNC System: Dehai Han

Main mechanical and electrical power: 15/30kw

Tool holder specification: BT50

tools magazine: 32
