

Machine Name : machining center

Brand : DAHLIH

Machine Model : MCV1020BA

Stock No. : 63393

Ex-factory Date : To be added

Main Technical Parameters:

The whole machine is imported, Two linear guideways and one rigid guideway

The precision of the original machine is still retained about 0.01mm

travel 1020×540×520, BT40

8000 RPM 24 tools magazine, FANUC md CNC System

Worktable: 1250×660,
