

Machine Name : CNC internal and external cylindrical grinder

Brand : Okamoto

Machine Model : OGM-360UEX

Stock No. : 63435

Ex-factory Date : To be added

Main Technical Parameters:

CNC System: FANUC

Rotating diameter: 320mm

Distance between centers: 600mm

Maximum machining diameter: 300mm

Maximum load mass between centers: 150kg

grinding wheel size: 355X38X127mm

speed: 1767 ~ 1996min
