

Machine Name : CNC lathe

Brand : KIA

Machine Model : SKT 500aw

Stock No. : 86452

Ex-factory Date : To be added

Main Technical Parameters:

spindle through hole diameter : 102mm

Spindle diameter : 150mm

spindle power : 37/30kw

Maximum grinding size : 710*750mm

rotating diameter : 750mm

machining length : 710mm

X*Z axis travel : 355*720mm

machine tool Footage : 3550*2010*2115mm

X*Z axis Fast feed rate : 20m*24/min
