

Machine Name : Drilling center

Brand : Fanuc

Machine Model : α -T14iDe

Stock No. : 63496

Ex-factory Date : To be added

Main Technical Parameters:

CNC CNC System : FANUC 18imb

three-axis travel: 510*400*430mm

Distance between the upper part of worktable and the end face of spindle is : 180*580mm

Worktable size : 700*400mm

spindle speed : 10000rpm

3 axes Fast moving rate : 48*48*48m/min

Cutting feed rate : 1-10000mm/min

Maximum Tool length : 250mm
