

Machine Name : Horizontal machining center

Brand : DOOSAN

Machine Model : HM635II

Stock No. : 86516

Ex-factory Date : 2015

Main Technical Parameters:

Worktable size: 630*630mm

three-axis travel: 1000*800*850mm

Spindle type: BT50 gear spindle

Spindle speed: 6000rpm

Bring 70 kg of center flushing

Tool quantity: 40 pieces

High quality CNC System: FANUC i SERIeS

Worktable indexing: indexing resolution of 0.001deg

glass scale: 3 axes with glass scale

Chain type chip conveyor
