Machine Name : Universal gear shaping machine

Brand : maag

Machine Model : ZURICH

Stock No. : 86548

Ex-factory Date : To be added

Main Technical Parameters:

Maximum machining diameter: 5000mm

Maximum machining height: 540mm

Worktable diameter: 2400mm

Maximum WorkWorktable load: 15 tons

Modulus: 5-40

machining teeth: 12/500

Maximum helix Angle: 30 degree

Tool vertical travel: 560mm

machine tool weight: 28 tons
