

Machine Name : Gantry machining center

Brand : Wintec

Machine Model : DMV4200

Stock No. : 63585

Ex-factory Date : 2021

Main Technical Parameters:

CNC CNC System: FANUC

three-axis travel: 4200*2700*900mm

Distance from spindle nose to Worktable: 200-1100mm

Worktable size (width * length: 2100*4000mm

T-slot size (width * groove * distance) :28*10*200mm

load of Worktable :15000kg

Spindle speed: 10000rpm

magazine capacity :60

spindle taper: BT50
