

Machine Name : CNC universal grinder

Brand : STUDER

Machine Model : S33

Stock No. : 63599

Ex-factory Date : 2005

Main Technical Parameters:

CNC CNC System: FANUC SERI Ncs16i-TB

Distance between centers: 650mm

Center height: 175 mm

grinding wheel head holder

Turret grinding wheel Workhead, universal type

RotaWorktable, equipped with external grinding and internal grinding

Automatic rotation B axis once a point
