

Machine Name : Double Turret Turn-milling machining Center

Brand : Nakamura

Machine Model : TW-30

Stock No. : 486524

Ex-factory Date : To be added

Main Technical Parameters:

CNC CNC System: FANUC -18i-tb

10 inch chuck

12 positions Turret positions:

machining diameter: $\Phi 335\text{mm}$

machining length: 300mm

Bar diameter: $\Phi 71$
