

Machine Name : Laser machining center

Brand : DMG

Machine Model : LASERTEC 40

Stock No. : 86888

Ex-factory Date : 2014

Main Technical Parameters:

three-axis travel: 400*300*500mm

Settings:

With glass scale

Motor direct drive roller guideway

3 point axes

3 optical axes

The average output power of the IPG laser head is 20W

camera

probe

3D contour laser machining CNC System
