

Machine Name : Gantry milling machine

Brand : Hartford

Machine Model : CNC-2150H

Stock No. : 86895

Ex-factory Date : 2013

Main Technical Parameters:

CNC CNC System: FANUC 21i-MB CNC System

Worktable size :2100*1450mm

three-axis travel :2060*1560*780mm

Distance between two columns: 1680mm

spindle resolution: 6000rpm

spindle nose to Worktable: 160-940mm

Distance from spindle center to column: 430mm

Main motor power: 18.5/22.5kw

Gate width * height: 1600*1080mm

3 axes rigid guideway

BT50 Tool holder

gear spindle
