

Machine Name : double position CNC honing machine

Brand : FUJI SEIKI

Machine Model : ND-225-2PS

Stock No. : 63927

Ex-factory Date : 2011

Main Technical Parameters:

machining cylinder hole diameter :10-150mm

spindle reciprocating travel :650m

spindle reciprocating speed: 11.2m /min

Spindle speed :2000 RPM

spindle rotating power: 5.5kw
