

Machine Name : CNC Slant Lathe

Brand : MAZAK

Machine Model : SQT-200MY

Stock No. : 486738

Ex-factory Date : To be added

Main Technical Parameters:

CNC CNC System: MAZATROL T PLUS

8 inch hydraulic chuck

Maximum rotating diameter: 525mm

Maximum machining diameter: 300mm

Standard machining diameter: 276mm

Maximum diameter of spindle through bar material: 51mm

Distance from spindle nose to turret end face: 135~710mm

spindle speed: 35~3500rpm

spindle through hole diameter: 61mm

spindle power: 18.5KW

Tool speed: 4500rpm

three-axis travel: 180*100*575mm

Power supply capacity 31.3KVA

Mechanical size 3040*1788*2000mm

Machine weight 5300kg
