

Machine Name : machining center

Brand : Makino

Machine Model : E33

Stock No. : 86797

Ex-factory Date : To be added

Main Technical Parameters:

CNC CNC System: FANUC -31iA

three-axis travel: 650*500*450mm

Spindle type: HSK-F63

Spindle speed: 20000rpm

standard component machining accuracy: $\pm 0.015\text{mm}$

magazine capacity: 20

Settings:

Laser Tool aligner aligner Aligner

Semi-dry cutting atomization CNC System

3 axes glass scale
