

Machine Name : Double spindle Turn-milling machining Center

Brand : Tsugami

Machine Model : M08SD

Stock No. : 87065

Ex-factory Date : 2015

Main Technical Parameters:

CNC CNC System: FANUC

Maximum machining diameter: $\phi 280$

Maximum machining length: 380mm

Bar maximum machining diameter: $\phi 73$

Spindle speed: 4500rpm

Motor power: 11kW

X-axis Fast moving rate: 24m/min

Z-axis Fast moving rate: 27m/min

spindle: 8 inch

Secondary spindle: 6 inches

Turret position: 12 positions

Settings:

Tool Aligner: Renishaw Tool Aligner

Chip removal CNC System: chip conveyor + bar Bar feeder

Usage time :448 hours
