Machine Name : double position horizontal machining center

Brand : Huller Hille

Machine Model : bluestar6

Stock No. : 87082

Ex-factory Date : 2005

Main Technical Parameters:

CNC CNC System: FANUC

three-axis travel: 800*1000*1000mm

WorkWorktable size: 630*630mm, double position

Fast displacement: 50m/min

b axis: 0.001°

tools magazine: 40 pieces

Spindle type: HSK100

Spindle speed: 10000 RPM

spindle has a central outlet

PamtonSchnell
