

Machine Name : Horizontal seven axis 5 simultaneous movement Turn-milling machining Center

Brand : MAZAK

Machine Model : INTEGREX e670H II

Stock No. : 64127

Ex-factory Date : To be added

Main Technical Parameters:

Max. rotating diameter : 1070mm

machining length : 4047mm

milling spindle B axis travel : -30° to 210°

Minimum indexing Angle: 0.0001°

spindle internal cooling

tools magazine: 80

glass scale for all axes

70 kg of water comes out of the center
