

Machine Name : machining center

Brand : MAZAK

Machine Model : VCE-570BL

Stock No. : 64167

Ex-factory Date : 2022

Main Technical Parameters:

CNC CNC System: FANUC MFplus

three-axis travel: 762*570*510mm

Spindle speed: 10,000 RPM

Worktable size: 1100*570mm

From worktable to the nose of spindle: 150-660mm

The chain-type automatic chip conveyor with 30 kilograms of center flushing outlet

spindle motor power: 18.5kw

With 24 tools magazine

Three-axis rail

BT40 spindle
