

Machine Name : Horizontal machining center

Brand : DOOSAN

Machine Model : HP-5500

Stock No. : 87193

Ex-factory Date : 2012

Main Technical Parameters:

CNC CNC System: FANUC 31i

three-axis travel: 800*750*850mm

Track: German 3 axes roller linear rail

spindle type: BT50 electric spindle

Spindle speed: 10,000 resolutions

The water outlet from the center of spindle belt

spindle power: 25/45 kW

magazine capacity: 60, chain type
