Machine Name : CNC Vertical Turn-milling machining Center

Brand : Toshiba

Machine Model : TMD-16

Stock No. : 87286

Ex-factory Date : 2016

Main Technical Parameters:

CNC System: FANUC
Worktable diameter: 1600mm
Maximum rotation diameter: 2000mm
Distance from Worktable surface to the bottom of the ram:1850mm
Maximum machining height: 1650mm
Maximum machining diameter: 2000mm
The maximum cutting force of the ram: 25,000N
Worktable load: 5,000kg
Twin-exchange Worktable
glass scale

PamtonSchnell
