

Machine Name : Horizontal machining center

Brand : DMG MORI

Machine Model : NHC-5000

Stock No. : 87310

Ex-factory Date : 2021

Main Technical Parameters:

CNC CNC System: DMG M-730BM

three-axis travel: 730*730*880mm

Worktable size: 500*500mm

Worktable load: 700 kilograms

Worktable indexing: one degree to 0.001deg

spindle output power: 30/18.5kw

Tool holder type: BBT40

Spindle speed: 12,000 RPM

Running time: 2000+ hours

Accessories:

In-machine measurement CNC System (spindle)

Optical triggered probe (Renishaw, OMP60)

workpiece clamping function

Double Worktable

magazine capacity: 60 tons
