

Machine Name : machining center

Brand : WELE

Machine Model : AA1165

Stock No. : 87314

Ex-factory Date : 2016

Main Technical Parameters:

CNC System: FANUC 31, driven by Alpha motor

Worktable size: 1300*650mm

three-axis travel: 1100*650*600mm

magazine capacity: 24, tool arm type

gear spindle: BT50

3 axes heavy-duty rigid guideway

With spindle oil chiller

Broaching machine with faucet
