

Machine Name : machining center

Brand : HARDINGE

Machine Model : GX 480PLUS

Stock No. : 87342

Ex-factory Date : 2016

Main Technical Parameters:

CNC CNC System: FANUC 0i-MD

Spindle speed: 10,000 resolutions

Worktable size: 600*400mm

three-axis travel: 480*400*430mm

spindle type: BT40

magazine capacity: 20, tool arm type

The maximum load of worktable is 300kg

Automatic chip removal
