

Machine Name : Vertical lathes

Brand : Yongli

Machine Model : C5116

**Stock No. :
f9adfcc18c35744ec83c497a44db968c**

Ex-factory Date :

Main Technical Parameters:

Maximum machining diameter: 1600mm

Maximum machining height: 1400mm

Workbench diameter: 1400mm

Maximum workpiece weight: 5T

Main motor power: 30KW

Overall dimension of machine tool: 3210x2850x4200mm
