Machine Name : Double spindle Turn-milling machining Center

Brand : DMG MORI

Machine Model : NLX 2000/500

Stock No. : 44486915

Ex-factory Date : 2022

Main Technical Parameters:

CNC CNC System: DMG MORI

Spindle speed: 10000rpm

Maximum turning diameter: 366mm

Maximum Machining length: 510mm

Settings:

70 kg center flushing

Y-axis

Driving head

With Tool Aligner

With Chip conveyor

Double spindle

8 "hollow chuck

12 positions turret
