

**Machine Name : Double-station
horizontal machining center**

Brand : HYUNDAI WIA

Machine Model : KH80G

Stock No. : 87427

Ex-factory Date : 2016

Main Technical Parameters:

CNC CNC System: FANUC 31i

magazine capacity: 40, chain type

Worktable size: 800*800mm

three-axis travel: 1250*1000*850mm

worktable is indexing resolution of 0.001deg

BT50 spindle

Spindle speed: 4500 RPM

high pressure center flushing outlet
