

Machine Name : Horizontal machining center

Brand : KITAMURA

Machine Model : Mycenter-HX630i

Stock No. : 487166

Ex-factory Date : 2006

Main Technical Parameters:

CNC CNC System: FANUC 16i-MB

Worktable size :630*630mm

Worktable load: 1200Kg

The maximum rotational footage of the workpiece: $\phi 1000 \times 1100$ mm

three-axis travel :1000*800*820mm

Distance from spindle nose to the center of worktable: 130-950mm

Distance from worktable to the center of spindle: 50-850mm

The B-axis Rotary worktable indexing: 0.001 degree

Spindle speed: 35- 12,000 resolutions

spindle power: AC26/22KW

spindle type: BT50

tools magazine size: 100

3 axes rapid movement speed: 50,000 mm/min

Feed rate: 50,000 mm/min

Machine weight: 20,500 kg
