

Machine Name : Gantry machining center

Brand : AWEA

Machine Model : SP2016

Stock No. : 64435

Ex-factory Date : 2011

Main Technical Parameters:

CNC System: FANUC 18i-MB advanced CNC System, driven by Alpha Motor

tools magazine: 32 floor-standing tools magazine in Taiwan

spindle: BT50 full gear spindle

Spindle speed: 6000 RPM

guideway: XY linear guideways and Z hard guideways

The gantry is too wide :1620mm

The gantry is Gantry height :1300mm

Worktable: 2300*1500 mm

three-axis travel: 2100*1600*760 mm

Other configurations: Equipped with a 3 axes glass scale, equipped with two broaching machines, equipped with a chain broaching machine, and equipped with a spindle oil chiller
