

Machine Name : Turn-milling machining Center

Brand : Taikan

Machine Model : HLS-150MY

Stock No. : 87475

Ex-factory Date : 2020

Main Technical Parameters:

CNC CNC System: FANUC TF-plus

Maximum rotation diameter: 550mm

machining length: 450mm

Spindle speed: 4500 RPM

Accessories:

12-position servo-powered tool turret

8-inch hollow chuck

Equipped with a hydraulic tailstock

Tap type chip conveyor

With Y-axis
