

Machine Name : CNC shaving machine

Brand : Mitsubishi

Machine Model : FE30A

Stock No. : 87540

Ex-factory Date : 2006

Main Technical Parameters:

workpiece maximum diameter: 310mm

The maximum tooth width of the workpiece: 150mm

Distance between centers: 575mm

The forward and backward movement distance of the blade head: ± 30 mm

Large diameter * Large width: 250*50.8mm

Main motor power: 7.5kw
