

Machine Name : machining center

Brand : Makino

Machine Model : PS95

Stock No. : 87568

Ex-factory Date : 2015

Main Technical Parameters:

CNC CNC System: Professional P

Electric spindle: HSK A63

Spindle speed: 12,000 resolutions

Maximum power of spindle: 25kw

3 axes 45 roller guideway

three-axis travel :920*510*460mm

Servo magazine capacity: 30, tool arm type

Equipped with a double helix chip conveyor

With an oil chiller
