

Machine Name : Turn-milling machining Center

Brand : MAZAK

Machine Model : INTEGREX e-420H-SII

Stock No. : 87571

Ex-factory Date : 2009

Main Technical Parameters:

Distance between centers: 3000U

Maximum machining diameter: 820mm

Maximum machining length: 3048mm

three-axis travel: 870*500*1598mm

B-axis travel: 240°

C-axis travel: 360°

Rotary spindle: 3300 rpm

machining spindle: 10,000 rpm
