

Machine Name : machining center

Brand : AKIRA SEIKI

Machine Model : V2.5xp

Stock No. : 64563

Ex-factory Date : 2016

Main Technical Parameters:

CNC System: Mitsubishi M70

spindle: 12,000 RPM

three-axis travel : 760x435x520mm

The tip of spindle to worktable : 75-595mm

From the center of spindle to the track surface of the column : 460mm

Worktable size : 910x400mm
