

Machine Name : CNC turret machine

Brand : Miyano

Machine Model : LX-08E2

Stock No. : 87651

Ex-factory Date : 2010

Main Technical Parameters:

spring clamp machining diameter: 51mm

machining diameter: 210mm

machining length: 220mm

spindle rotational speed: 40-4000RPM

spindle motor: AC 11/7.5kW

Form: Tool holder height: 25mm

The Tool holder diameter of the hole-opening drill bit is $\varnothing 40$ mm

The travel of the X*Z axis: 150*300mm
