

Machine Name : machining center

Brand : Us Wheeler

Machine Model : EM1100A

Stock No. : 87657

Ex-factory Date : 2022

Main Technical Parameters:

CNC CNC System : FANUC Oi-MF Plus

Worktable size : 1200*600mm

three-axis travel : 1100*600*600mm

From the center of spindle to the column guideway : 650mm

From the nose of spindle to worktable : 120-720mm

Spindle speed : 12,000 RPM

Main motor power : 11/15 kW

spindle taper : BT40

magazine capacity: 24 pieces

Weight of machine tool : 6500kg

Footage : 2900*2400*3000mm
